From: Melissa Fortner, Executive Director and
Minerva Dougan, Director of Nursing

Subject: IL Resident COVID-19 Vaccine Schedule

**THE VILLAGE AT
ORCHARD RIDGE**

A National Lutheran Community

Are you ready for the best news of 2021! We have learned that we are partnering with Walgreens to bring the Pfizer/BioNTech COVID-19 Vaccine to Independent Living residents at The Village at Orchard Ridge.

Based on the information provided to us by Walgreens, the vaccine clinic information is below:

Option A		Consent due
Dose 1	Sunday, January 24, 2021	January 20, 2020
Dose 2	Sunday, February 14, 2021	
Option B		
Dose 1 (second round)	Sunday, February 14, 2021	February 1, 2020
Dose 2 (second round)	Sunday, March 7, 2021	

All vaccines will be distributed in the chapel from 10:30 a.m. to 6 p.m. each clinic day. Walgreen's is requiring a negative COVID-19 test prior to the administration of the vaccine. Orchard Ridge is organizing a rapid COVID-19 testing clinic to occur on the day of vaccines.

Please note that residents on self-quarantine or isolation due to COVID-19 restrictions will not be eligible to take the vaccine.

A completed Walgreens consent form is required to participate in the vaccine clinic, and a copy of your primary insurance care (Medicare) must also accompany your consent form. A copy of the consent can be picked up from the Concierge desk, and you will also find it attached to the email, if you are receiving this information electronically.

When completing the form, under the LTCF name, please use The Village at Orchard Ridge. *Sections D, E and F will be completed by the Healthcare Provider on the day of the vaccine clinic.* Completed consent forms should be submitted to Lori Rosamond, whose office is on the second floor of Proclamation Place apartment building.

myPotential at Home will be organizing the vaccine clinic, similar to their flu shot clinic. **Stayed tuned this week for more information** from Lauren Gwinn, myPotential at Home community liaison, about:

- Vaccine day/time sign-up
- COVID-19 testing day/time sign-up
- Consent form/insurance card collection
- Assistance with consent form

We are beyond grateful to be able to bring the COVID-19 vaccine to residents of Orchard Ridge. We will continue to share information and details as they are available.
