

Date: January 22, 2021

To: IL Residents and Families

From: Minerva Dougan, Director of Nursing

Subject: January 24 IL Resident COVID-19 Vaccine Schedule

**THE VILLAGE AT
ORCHARD RIDGE**

A National Lutheran Community

I am excited for our first COVID vaccine clinic happening this Sunday, January 24. Please read below for vaccine clinic updates and information on what to expect during the testing and vaccine clinic. Additionally, attached to this document, you will find a COVID-19 vaccine FAQ sheet prepared by the Path Forward team.

If you have not registered to receive the vaccine and you wish to do so, please contact Lauren Gwinn of myPotential at Home at 540-450-0313. She will register you for the February 14 COVID-19 test and vaccine clinic. If you need to cancel your appointment time, please call Lauren at the number above.

Mostly importantly, if you are feeling ill on Sunday, please do not come to either the testing location or vaccine location and contact Lauren Gwinn at the number above. She will provide additional guidance based on your symptoms.

Please tune into Touchtown (Channel 977) on Sunday for urgent updates regarding COVID-19 testing and the vaccine clinic.

Vaccine Clinic Host: Walgreen's Pharmacy

Vaccine Type: Pfizer

Team: five pharmacists, 24 team members from Orchard Ridge, National Lutheran Communities & Services and myPotential at Home

Group 1: January 24, 2021

COVID-19 Testing Time: 7:25 a.m. – 5 p.m. **Please refer to your card for your appointment time**

COVID-19 Testing Location: Garden Room

Vaccine Clinic Time: 10 a.m. – 5 p.m. **Please refer to your card for your appointment time**

Vaccine Clinic Location: Chapel

COVID-19 Testing Location: Garden Room (North Dining Room)

- Please arrive no earlier than five minutes before your appointment time. *Please do not arrive early, as we are limited to the number of people who can be in the testing area.*
- The rapid COVID-19 test will be administered through a nasal swab.
- Expect a 15 minute wait time for the COVID-19 test result.
- Residents with a negative COVID-19 test result will be given a voucher indicating they are COVID-19-free. This voucher must be brought to the vaccine clinic in the Chapel to receive the COVID-19 vaccine.
- Residents with a positive COVID-19 test result will be provided further guidance on isolation requirements, and our team will reschedule the resident for the vaccine clinic on February 14.
- Once results are received, residents are asked to continue with their daily routines, returning to their apartment or cottage.

MEMORANDUM

The Village at Orchard Ridge / Resident Vaccine Clinic Update / January 22, 2021

COVID-19 Vaccine Clinic Location: Chapel

- Wear your mask and short sleeves to your appointment.
- Please arrive no earlier than five minutes before your appointment time. *Please do not arrive early, as we are limited to the number of people who can be in the vaccine area.*
- Please bring the COVID-19-free voucher with you to your vaccine appointment.
- After you receive the vaccine, you will be monitored for 15 minutes.

FAQ regarding the Vaccine

Q: Is there an EpiPen on hand if I have a severe allergic reaction immediately after receiving the vaccine?

A: Yes, Walgreens has confirmed that there will be an EpiPen on hand, and it will be administered immediately if you have a severe reaction.

Q: What should I expect after getting the COVID vaccine?

A: You may have some side effects, which are expected signs that your body is building protection. These side effects may affect your ability to perform daily activities, but they resolve within a few days. Please continue to refer to the CDC's "What to expect after getting a COVID-19 vaccine" that was provided with previous education.

Stay well, wear your masks, wash your hands, and adhere to social distancing. I'm looking forward to seeing everyone this weekend!
