Subject: Orchard Woods Path Forward Update

**THE VILLAGE AT
ORCHARD RIDGE**

A National Lutheran Community

For the first time in nearly a year, we hosted scheduled indoor visitation in Orchard Woods Health Center. This has been an exhilarating milestone as loved ones have longed to be reunited in this manner. There is an instantaneous level of faith and hope that this year will continue to bring an array of optimism. These visits may continue to be scheduled through Molly Edmonston and Gretchen Webster, our ConnectedLiving coordinators.

Our team united in collaboration this week to celebrate St. Patrick's Day. A variety of refreshments were creatively displayed for residents and team members to partake. Our ConnectedLiving coordinator for the Skilled and Long Term Care Neighborhoods dressed up as a leprechaun to bring laughter and cheer to her colleagues and residents. Our housekeeping team and social services wore festive shirts to celebrate the occasion. It is always an honor to see team member's passion as they put their heart into their daily efforts.

The positivity rate for Frederick County decreased to 4.4 percent this week. Orchard Woods conducted this week's testing on March 15. As we have eased some of our restrictions to allow for scheduled indoor visitation, we will continue to administer weekly testing as a best practice.

The chart below provides more detailed information on the impact of COVID-19 in Orchard Woods and across campus.

	Skilled Rehab	Long-term Care	Memory Care
Resident active cases of COVID-19	0	0	0
Resident on-set symptoms pending COVID-19 test results	0	0	0
Active Independent Living COVID-19 resident cases	0		
Team member active cases of COVID-19 (across all services lines)	0		
Team member on-set symptoms pending COVID-19 test results quarantine required (across all services lines)	0		

As we continue our Path Forward, together we can embrace the new opportunities this year may bring. Thank you for your continued faith and support in our efforts.
